**Changes to the Automobile Statistical Plan and Edit Rules Documentation,
Discontinuation of temporary “T” codes**

The General Insurance Statistical Agency (GISA) is implementing the amendments to the Automobile Statistical Plan (ASP) as a result of the discontinuation of temporary “T” codes. As referenced in GISA Bulletin 2016-08 GISA is pleased to advise that an updated **Automobile Statistical Plan (ASP) and Edit Rules Documentation (ERD) Version 3.6** is now available.

They are available on GISA’s website, at <http://www.gisa.ca/en/techman/> and on the public website of GISA’s service provider, Insurance Bureau of Canada (IBC), at <http://www.ibc.ca/on/resources/industry-resources/data-management/stat-plans>.

A summary of the relevant changes can be found in the “Revision History” sections of the documents, with bookmarks for reference.

If you have any questions related to the new version of the Automobile Statistical Plan and Edit Rules Documentation, please contact your organization’s Data Quality Analyst at 416-445-5912 or 1-800-761-6703.
