Revisions to GISA’s Exhibit Production Schedule

The transition to GISA’s new Statistical Service Provider (SSP) and IT platform has required additional time as we ensure data and reporting integrity. Following a thorough assessment and consultation with member regulators, GISA has determined that delivery of 2025 year-end exhibits should be prioritized. As a result, the following changes are being made to GISA’s Exhibit Production Schedule:

- All remaining 2025 mid-year exhibits will be produced, and the status is shown below.
